

Checklist for Updating the Accreditation Data System (ADS) Prior to an Accreditation or Recognition Site Visit

Please read these instructions carefully in preparation for your accreditation or recognition site visit. The due date for updates to ADS is indicated in the Field Activities Site Visit Announcement letter. Other documents may be requested by the Accreditation Field Representative(s). Detailed descriptions of each required upload can be found in ADS. Reviewers see only the templates and not the resident/fellow files or sample evaluations. Email any technical issues or questions about ADS to ADS@acgme.org and dfascheduling@acgme.org.

⚠ Warning! Update ADS by the due date indicated in the Site Visit Announcement letter. Failure to update the ADS information may result in a postponement of the site visit and assessment of a \$3,200 fine.
